

## [Girls Who Code]

at Fred Hutch

We're a club for female/non-binary-identifying high schoolers interested in exploring coding topics in a creative and fun environment

- > Hands-on computational projects (we'll be coding robots in Python!)
- > Led by female graduate students and post-docs from University of Washington and Fred Hutch
- > Meet in-person at Fred Hutch Tuesdays 4-5pm (PST) from January 10 February 28,2023
- > Bus passes and food provided
